(3) Uses Not Listed

Any use not listed in the Permitted Use Table is prohibited..

(4) New and Unlisted Uses

(a) It is recognized that new or unlisted types of land use may seek to locate in the City. In order to provide for such contingencies, a determination of any new or unlisted form of land use shall be made in accordance with this section.

(b) It is recognized that the Permitted Use Table may require amendment, from time to time, to allow for uses that are not permitted. In the event an amendment to the Permitted Use Table is required, the procedure for the amendment shall be the same as required for an amendment to the text of the UDC in accordance with SECTION 4G of this UDC.

I. SPECIFIC USE PERMIT (SUP)

(1) Applicability

A SUP allows for discretionary City Council approval of uses with unique or widely varying operating characteristics or unusual site development features, subject to the terms and conditions specifically set forth in this UDC. These uses and the districts where they may be located are listed in the Permitted Use Table, SECTION 5H. Approval of a SUP authorizes a property owner to submit subsequent development applications consistent with the approved SUP.

(2) Application Requirements

(a) Application Required

Any request for a SUP shall be accompanied by an application and SUP exhibit prepared in accordance with the Development Standards.

(b) Accompanying Applications

An application for a SUP shall be accompanied by a site plan prepared in accordance with SECTION 8N. Approval of a site plan as part of a SUP shall meet the requirements for site plan approval under SECTION 8N.

(c) Tax Certificate Required

All applications made as a request for a SUP shall be accompanied by a copy of a current tax certificate reflecting that all taxes due and owing have been paid in full.

(3) Processing of Application and Decision

(a) Submittal

An application for a SUP shall be submitted to the City Manager. The City Manager shall review the application for completeness in accordance with SECTION 4B of this UDC. The City Manager may request a recommendation regarding the application from any other City

employee or consultant. The City Manager shall notify the applicant of items requiring correction or attention before providing a recommendation on the application. After appropriate review, the City Manager shall forward a written recommendation to the Commission for consideration.

(b) Notification Requirements

An application for a SUP requires the following notification in accordance with SECTION 4C of this UDC:

- 1) Written notice prior to consideration by the Commission; and
- 2) Published notice prior to consideration by the City Council.

(c) Commission Recommendation

The Commission shall hold a public hearing in accordance with the TOMA and SECTION 4D of this UDC and make a written recommendation regarding a proposed SUP to the City Council. The Commission may recommend approval, approval with conditions, or denial of the SUP. The Commission may, on its own motion or by request of the property owner, postpone consideration of the request to a date certain that is not more than thirty (30) calendar days after the date of the current consideration in order to review additional information or modifications which may have a direct bearing on the recommendation to the City Council.

(d) Decision by City Council

The City Council shall receive the written recommendation of the Commission regarding a proposed SUP and shall hold a public hearing in accordance with the TOMA and SECTION 4D of this UDC. The City Council may vote to approve, approve with conditions, or deny the SUP. The City Council may, on its own motion or by request of the property owner, postpone consideration of the request to a date certain that is not more than thirty (30) calendar days after the date of the current consideration in order to review additional information or modifications which may have a direct bearing on the final decision.

(4) Criteria for Approval

The Commission, in making its recommendation, and the City Council, in considering final action on a SUP, should consider whether the following criteria are met:

- (a) The proposed use at the specified location is consistent with and conforms to the policies embodied in the adopted Comprehensive Plan;
- (b) The proposed use is consistent with the general purpose and intent of the applicable zoning district regulations and is allowed by such regulations with the approval of a SUP;
- (c) The proposed use is compatible with and preserves the character and integrity of adjacent developments and neighborhoods, and includes

improvements either on-site or within the public rights-of-way to mitigate development-related adverse impacts, such as traffic, noise, odors, visual nuisances, drainage or other similar adverse effects to adjacent development and neighborhoods;

- (d) The proposed use does not generate pedestrian and vehicular traffic which will be hazardous or conflict with the existing and anticipated traffic in the neighborhood;
 - (e) The proposed use incorporates roadway adjustments, traffic control devices or mechanisms, and access restrictions to control traffic flow or divert traffic as may be needed to reduce or eliminate development-generated traffic on neighborhood streets;
 - (f) The proposed use incorporates features to minimize adverse effects, including visual impacts, of the proposed use on adjacent properties;
 - (g) The proposed use meets the standards for the zoning district, or to the extent variations from such standards have been requested, that such variations are allowed by the SUP process and are necessary to render the use compatible with adjoining development and the neighborhood;
 - (h) The proposed use and associated site plan promote the health, safety and general welfare of the City and the safe, orderly, efficient and healthful development of the City;
 - (i) No application made under these provisions will receive final approval until all back taxes owed to the City have been paid in full; and
 - (j) Other criteria which, at the discretion of the Commission and City Council are deemed relevant and important in the consideration of the SUP.
- (5) Conditions

The Commission, in making its recommendation, and the City Council, in considering final action, may require such modifications in the proposed use and attach such conditions to the SUP as deemed necessary to mitigate adverse effects of the proposed use and to carry out the spirit and intent of this UDC. Conditions and modifications may include but are not limited to limitation of building size or height, increased open space, limitations on impervious surfaces, enhanced loading and parking requirements, additional landscaping, curbing, sidewalk, vehicular access and parking improvements, placement or orientation of buildings and entryways, buffer yards, landscaping and screening, signage restrictions and design, maintenance of buildings and outdoor areas, duration of the permit and hours of operation.

(6) Expiration of Specific Use Permit

A SUP shall expire if any of the following occurs:

- (a) A building permit, if necessary, for the use has not been approved within two (2) years of the approval of the SUP;
- (b) A building permit approved as a result of the approval of the SUP expires within two (2) years of the approval of the SUP;

- (c) The use has been abandoned or discontinued for a period of time exceeding six (6) months; or
- (d) The SUP expires in accordance with its terms.

SECTION 6 - NONCONFORMING USES, LOTS AND STRUCTURES

A. PURPOSE AND INTENT

- (1) Within the districts established by this UDC, or amendments thereto, there may exist lots, structures, uses of land and structures, and characteristics of use which were lawfully in existence and operating before this UDC was enacted, amended or otherwise made applicable to such lots, structures or uses, but which do not now conform to the regulations of the district in which they are located. It is the intent of this UDC to permit such nonconforming uses to continue, as long as the conditions within this section and other applicable sections of this UDC are met.
- (2) It is further the intent of this UDC that nonconforming uses, lots and structures shall not be enlarged upon, expanded or extended, and shall not be used as a basis for adding other structures or uses prohibited elsewhere in the same district.
- (3) Nonconforming uses are hereby declared to be incompatible with the permitted uses in the zoning districts involved.

B. NONCONFORMING STATUS

- (1) Except as provided in SECTION 6I, any use, platted lot or structure that does not conform with the regulations of this UDC on the effective date hereof or any amendment hereto, shall be deemed a nonconforming use, platted lot or structure provided that:
 - (a) Such use, platted lot or structure was in existence under, and in compliance with, the provisions of the previous City zoning code, and has been in regular and continuous use since such time;
 - (b) Such use, platted lot or structure was a lawful, nonconforming use, platted lot or structure under the previous City zoning code, and has been in regular and continuous use since such time; or
 - (c) Such use, platted lot or structure was in existence at the time of annexation into the City, was a legal use of the land at such time, and has been in regular and continuous use since such time.
- (2) Except as provided in SECTION 6I below, any other use, platted lot or structure which does not conform with the regulations of the zoning district in which it is located on the effective date of this UDC or any amendment hereto, shall be deemed to be in violation of this UDC, and the City shall be entitled to enforce fully the terms of this UDC with respect to such use, platted lot or structure.
